Dear Parent/Carer

Y8 Parents' Evening - Online Appointment Booking

I would like to invite you to attend our Parents' Evening on **Wednesday 9th March**. This is an important evening and provides you with your first opportunity to speak to your daughter's individual subject teachers **face to face in school**. During the meeting you will have the chance to ask about your daughter's current progress and discuss any issues or concerns that you may have regarding her studies.

The school has introduced a new and easy to use online appointment booking system. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. With Covid restrictions lifted **we can now hold Parental Consultation evenings back in school and meet face to face**.

Appointments can be made as soon as you receive this letter.

Please visit <https://bellevue.schoolcloud.co.uk/> to book your appointments. (A short guide on how to add appointments is included with this letter.) These documents and a direct link to School Cloud are also available on the school's website – see the section under the **Parents** tab labelled **Parents' Evenings**.

Login with the following information:

Your personal **Login code** – which you will receive in a separate communication.
Your daughter's **Date of Birth**

If you do not have access to the internet, please contact the school office who will be happy to add appointments on your behalf.

If you have any queries concerning this event, then please contact Miss Evans, Head of Year 8 or Mrs Aziz, Y8 Pastoral Manager, on 01274 492341.

Yours sincerely

H Michaels
