Staff Code of Conduct Declaration

This policy aims to set and maintain standards of conduct that we expect all staff to follow.

By creating this policy, we aim to ensure Belle Vue Girls' Academy is an environment where everyone is safe, happy and treated with respect.

Many of the principles in this code of conduct are based on the Teachers' Standards.

Staff have an influential position in the Academy, and will act as role models for pupils by consistently demonstrating high standards of behaviour.

We expect that all teachers will act in accordance with the personal and professional behaviours set out in the Teachers' Standards.

We expect all support staff, governors and volunteers to also act with personal and professional integrity, respecting the safety and wellbeing of others.

Please note that the code of conduct is not exhaustive. If situations arise that are not covered by this code, staff will use their professional judgement and act in the best interests of the Academy and its pupils.

This page needs to be signed and dated as evidence that the staff member understands their responsibilities with regards to school policy.
