## Section 1 – Overview

### 1.1 Policy Statement

This policy should be read in conjunction with other academy and trust guidance, for example the Safeguarding, E-Safety, and Attendance policies.

At Belle Vue Girls’ Academy we are committed to providing an exceptional educational experience for all, empowering our young people to become confident learners, confident communicators, and confident future citizens. We are driven by ambition, aspiration, and excellence. We expect nothing but the best, from everyone, for everyone. We break down barriers, we tackle disadvantage, and we value and actively promote inclusion and celebrate diversity. We aim to create an inclusive environment, in which everyone feels welcomed, supported and confident about being themselves whatever their characteristics or background. We expect that each member of our community will care for others and will challenge attitudes and behaviours which are not in keeping with these values. We are keen to work in partnership with parents and carers to maintain the high standards of pupil behaviour and welfare.

### 1.2 Policy Aims & Principles

This policy aims to:

- Provide a **consistent approach** to behaviour management and pupil welfare support
- **Define** what we consider to be unacceptable behaviour, including bullying
- Outline **how pupils are expected to behave** and the **attitudes and characteristics** that we expect them to develop
- Summarise the **roles and responsibilities** of different people in the academy community with regards to behaviour management and pupil welfare
- Outline our system of **rewards and sanctions**
- Centralise sanctions and **remove unnecessary workload** for teachers, pastoral and administrative staff.

The policy is underpinned by the following principles:

- 
- Every pupil understands they have the right to feel safe, valued and respected, and learn free from the disruption of others
- All pupils, staff and visitors are free from any form of discrimination and diversity is valued and celebrated
- Staff and volunteers set an excellent example to pupils at all times
- Rewards, sanctions and reasonable force are used consistently by staff
- Pupils are helped to take responsibility for their actions
- Families are involved in behaviour incidents to foster good relationships between the academy and pupils' home life
- The exclusions policy explains that suspensions & exclusions will only be used as a last resort, and outlines the processes involved in suspensions and permanent exclusions

### 1.3. Legislation and Statutory Requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force and other restrictive interventions guidance](#)
- [Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#) and the [Children and Families Act 2014](#)

In addition, this policy is based on:

- Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy online
- [BDAT MAT Behaviour Statement & Expectations](#)

### 1.4. Links with Other Policies

This Pupil Behaviour & Welfare Policy is linked to the following policies:

- Exclusions Policy
- Safeguarding Policy
- Restrictive Interventions Policy
- E-Safety Policy
- Attendance Policy

- SEND Policy (including Medication of Pupils in School)

## Section 2 – Behaviour Expectations & Procedures

### 2.1 Code of Conduct

Pupils come to school to learn. They have the right to work in a calm, healthy and clean environment, enjoy a friendly, pleasant atmosphere where they never feel threatened so that they can all concentrate and learn without distractions. Pupils have the right to be regarded as responsible, worthwhile members of the Belle Vue Girls' community.

To help ensure these rights are realised, the following principles contained in our Code of Conduct must be adhered to. The expectations also cover online behaviour where relevant.

Pupils are expected to:

- Strive to have excellent attendance and be punctual and well equipped so that the lesson can start on time and run smoothly.
- Co-operate with teachers, listen and follow instructions so that the learning of the whole class is not affected.
- Be well organised with homework recorded, completed and handed in on time so that learning can continue without time being lost.
- Work hard to complete all tasks to a high standard.  
Move around the academy in a calm, quiet and considerate manner, treating the academy buildings and property with respect
- Be polite and show respect to fellow pupils.
- Always wear the correct uniform (see appendix 2)

- Know and then follow, without question, the procedures laid down in the event of a fire or other emergency.
- Uphold the good name of the academy as we move around in our local community.
- Accept sanctions when given.
- Report any concerns to the Pastoral Manager in a timely fashion.

Pupils will be asked about their experience of behaviour and provide feedback on the school's behaviour culture to help support the evaluation, improvement, and implementation of the behaviour policy.

## 2.2 Positive Attitudes & the Behaviour Curriculum

As well as conducting themselves in an orderly fashion, students are taught about and expected to demonstrate outstanding attitudes, and develop as **confident learners**, **confident communicators** and **confident future citizens**. They do this by **aiming high**, developing **creative thinking**, **independence**, and **teamwork** skills. They are also encouraged to show **compassion**, **respect**, **responsibility**, and **resilience**. These attitudes are taught and nurtured throughout academy's academic and personal development curriculum. Student's attitudes will be graded by their teachers twice a year and this will be reported to parents. We will use the following character framework to assess students:

<b>Confident learners demonstrate the following competencies.</b>	<b>Confident communicators demonstrate the following competencies.</b>	<b>Confident future citizens demonstrate the following competencies.</b>
<p>They <b>aim high</b> by:</p> <ul style="list-style-type: none"> <li>• exploring ideas in more detail and by always wanting to know more.</li> </ul> <p>They show <b>creative thinking</b> by:</p> <ul style="list-style-type: none"> <li>• being inquisitive, innovative and imaginative.</li> </ul> <p>They show <b>independence</b> by:</p> <ul style="list-style-type: none"> <li>• taking ownership of their learning and applying it in the classroom and beyond.</li> </ul> <p>They show <b>teamwork</b> by:</p> <ul style="list-style-type: none"> <li>• working together and supporting the learning of others.</li> </ul>	<p>They <b>aim high</b> by:</p> <ul style="list-style-type: none"> <li>• showing self-confidence, liveliness, flair, and evaluating ideas.</li> </ul> <p>They show <b>creative thinking</b> by:</p> <ul style="list-style-type: none"> <li>• exploring new ideas and having different points of view.</li> </ul> <p>They show <b>independence</b> by:</p> <ul style="list-style-type: none"> <li>• participating, having a voice and expressing their opinions in the classroom and beyond.</li> </ul> <p>They show <b>teamwork</b> by:</p> <ul style="list-style-type: none"> <li>• sharing ideas, listening to, and appreciating the views of others.</li> </ul>	<p>They <b>aim high</b> by:</p> <ul style="list-style-type: none"> <li>• showing leadership skills, aspiration and ambition.</li> </ul> <p>They show <b>creative thinking</b> by:</p> <ul style="list-style-type: none"> <li>• problem-solving and making links and connections with the wider world.</li> </ul> <p>They show <b>independence</b> by:</p> <ul style="list-style-type: none"> <li>• actively seeking out new challenges and trying new things.</li> </ul> <p>They show <b>teamwork</b> by:</p> <ul style="list-style-type: none"> <li>• being inclusive and respecting others regardless of their background.</li> </ul>

•

**Confident learners, confident communicators and confident future citizens demonstrate the following attributes:**

- They show **compassion** by creating an environment where everyone is welcome, supported, and confident about being themselves.
- They show **respect** by being open-minded and treating others as they would wish to be treated.
- They show **responsibility** through self-discipline and by being well-organised, polite, and well behaved.
- They show **resilience** by being persistent and determined and keeping going when faced with challenges.

### **2.3. Rewards and Sanctions**

In relation to the Code of Conduct and Attitudes Criteria, and the Belle Vue Girls' Academy Characteristics, pupils who behave well and bring credit to themselves, their families and the academy will be **recognised** and rewarded. Those who break the code of conduct will be **sanctioned** appropriately.

The Belle Vue Girls' Academy Characteristics are:

- Aiming High
- Independence
- Teamwork
- Creativity

**Positive behaviour** and attitude to learning will be recognised with:

- Regular praise
- Recognition of exceptional work and demonstration of the BVGA Characteristics through the use of reward points on ClassCharts.

**Misbehaviour** will be sanctioned with:

- Recording behaviour 'codes' on ClassCharts for misbehaviour as follows:

**R code issued to pupils who are not 'ready to learn':**

- Late to lessons
- Incorrect uniform
- Incorrect equipment
- No lanyard
- Behaviour in lessons
- Behaviour at social times
- Mobile phone use

**B code – issued to pupils who do not follow the code of conduct and attitude to learning criteria in class (after first receiving a verbal warning) or around the school.**

- A verbal reprimand
- School reflection time (break/ lunch or after school/ reset as directed). Parents should be **informed** of after school reflection time, but parental **consent is not required**.
- Expecting work to be completed at home, or at break or lunchtime
- Letters or phone calls home to parents
- The use of senior leadership behaviour contracts for persistent misbehaviour.

**Serious Misbehaviour** will be sanctioned with:

- Direct placement onto senior leadership behaviour contracts
- A period of reflection in another school, arranged through the Central Bradford Behaviour and Attendance Collaborative (BAC)
- Behaviour panel meeting (parents, pupils, senior/middle leadership representative)
- A period of suspension  
A period of directed off-site learning (alternative provision)
- Permanent exclusion

Any imposed **sanctions will be purposeful**, usually for one or more of the following reasons:

- **Deterrence:** sanctions can often be effective deterrents for a specific pupil or a general deterrent for all pupils at the school
- **Protection:** keeping pupils safe is a legal duty of all staff. A protective measure in response to inappropriate behaviour, for example, removing a pupil from a lesson, may be immediate or after assessment of risk
- **Improvement:** to support pupils to understand and meet the behaviour expectations of the school and reengage in meaningful education. Pupils will test boundaries, may find their emotions difficult to manage, or may have misinterpreted the rules. Pupils should be supported to understand and follow the rules. This may be via sanctions, reflective conversations or targeted pastoral support.

Where appropriate, staff will take account of any contributing factors that are identified after a behaviour incident has occurred: for example, if the pupil has suffered bereavement, experienced abuse or neglect, has mental health needs, has been subject to bullying, has needs including SEND (including any not previously identified), has been subject to criminal exploitation, or is experiencing significant challenges at home.

Please refer to our safeguarding policy/statement of procedures for dealing with allegations of abuse against staff for more information on responding to allegations of abuse. The Headteacher will also consider the needs of staff accused of misconduct.

•

## **2.4 Malicious Allegations**

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the Headteacher will discipline the pupil in accordance with this policy

## **2.5 Classroom Management**

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the 'Set for Success Expectations' in their classrooms
- Maintain an up-to-date seating plan on 'Class Charts'

Develop a positive relationship with pupils, which include:

- Greeting pupils at the door in the at the start of lessons
- Establishing clear routines
- Highlighting and promoting good behaviour, referencing the BVGA characteristics
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Recognising exceptional behaviour and achievements.

Where misbehaviour occurs, they will:

- Issue a verbal warning and the pupils name will be written on the board
- If misbehaviour continues, issue a B code (recorded on ClassCharts)
- If misbehaviour continues further, issue a second B code (recorded on ClassCharts) with comment and remove the pupil within the classroom or from the classroom as per faculty processes

## **2.6 Off-Site Behaviour**

Appropriate sanctions may be applied where a pupil has misbehaved off-site when representing the academy, such as on a school trip or on the bus on the way to or from the academy. Inappropriate behaviour online whilst off school site, such as cyber bullying or the sharing inappropriate content, may also result in sanctions imposed by the academy and/or the police.

Conduct outside the school premises, including online conduct, that school may sanction pupils for include misbehaviour:

- when taking part in any school-organised or school-related activity;
- when travelling to or from school;
- when wearing school uniform;
- when in some other way identifiable as a pupil at the school;
- that could have repercussions for the orderly running of the school;
- that poses a threat to another pupil; or

- that could adversely affect the reputation of the school.

## 2.7 Pupil Support

**At Belle Vue we work together to create a safe, calm and happy school environment. We have inclusive bespoke support for all our students through our Reset and Reflect strategy.**

**We expect students to:**

- Meet the expectations
- Follow the routines
- Be respectful and be responsible
- Demonstrate the competencies and attributes

**We show students how to be Set for Success so that they can:**

- Develop their confidence and independence
- Enjoy school, learn and achieve, and make the most of every opportunity

**If there are barriers to success, we will identify them and support them to Reset and Reflect, so that they can overcome the barriers and be successful.**

### **Initial intervention following behavioural incidents**

We will adopt a range of initial intervention strategies to help pupils manage their behaviour and to reduce the likelihood of suspension and permanent exclusion. This is achieved by helping pupils understand behavioural expectations and by providing support for pupils who struggle to meet those expectations. Some pupils will need more support than others and this should be provided as proactively as possible. It will often be necessary to deliver this support outside of the classroom, in small groups, or in one-to-one activities. Examples of interventions include:

- Reset time during lunchtime or afterschool with a reflection conversation and a reflection workbook/sheet to help identify barriers
- Reflection time supervised by the Pastoral team with a reflection conversation and a reflection workbook/sheet to help identify barriers
- Frequent and open engagement with parents, including home visits if deemed necessary;
- Providing mentoring and coaching by the Pastoral team and EMOJI intervention through the Inclusion team
- Short-term SLT behaviour contracts or longer-term behaviour based pupil support plans
- Pastoral team work and engaging with local partners and agencies to address specific challenges such as poor anger management, a lack of resilience and difficulties with peer relationships and social skills

### **Persistent behaviour incidents**

The academy recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

•  
Pupils whose behaviour is persistently challenging will be referred via CPOMS to the weekly 'pastoral matrix' meeting where key professionals in the academy will discuss a plan of support. The academy's special educational needs co-ordinator may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

See also *section 2.3* – serious misbehaviour.

## 2.8 Restrictive Interventions Policy

At Belle Vue Girls' Academy, we will always prioritise proactive strategies to minimise the need for the use of restrictive intervention, whilst also being vigilant that staff may need to intervene quickly to safeguard the welfare of pupils.

Restrictive interventions, including the use of reasonable force, restraint and seclusion, may only be used in exceptional circumstances where they are lawful, necessary and proportionate, and where other less restrictive methods have been attempted or assessed as inappropriate in the circumstances.

In line with the DfE's Restrictive Interventions guidance of April 2026 [Use of reasonable force and other restrictive interventions guidance](#), restrictive interventions may only be used to prevent a pupil from:

- Causing injury to themselves or others
- Committing a criminal offence
- Causing serious damage to property
- Causing significant disorder

## 2.9 Searches and Confiscation

Any prohibited items found in pupils' possession will be confiscated. These items will not be returned to pupils. The school doesn't need your child's consent to search them if they think your child has prohibited items, including:

- weapons, e.g. knives
- alcohol
- energy drinks
- illegal drugs
- stolen goods
- tobacco products, e.g. cigarettes or e-cigarettes/vapes
- any article that the member of staff reasonably suspects has been, or is likely to be used:
  - to commit an offence, or
  - to cause personal injury
- pornographic images (of any kind) and other inappropriate images or files on pupils' electronic devices that could be involved in cyber-bullying activity.
- fireworks
- anything that has been, or is likely to be, used to cause injury or commit an offence

The Designated Safeguarding Lead will be informed of any searching incidents where the member of staff conducting the search has reasonable grounds to suspect a pupil is in possession of a prohibited item listed above.

We will also confiscate any item which is harmful or detrimental to academy discipline. (This included mobile phones and other electronic devices). These items will be returned to pupils after discussion

with senior leaders and parents, if appropriate. If these items are confiscated for a second time, only parents/carers may collect them.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

## **2.10. Behaviour expectations and pupils with Special Educational Needs and/or Disability (SEND)**

BVGA aims to build the confidence of all students, and as such, will make necessary adjustments to the behaviour policy to ensure it does not discriminate against students with additional needs (as per the requirements set out in the Equality Act 2010), whilst also maintaining high expectations of behaviour and conduct. The whole school approach to behaviour by way of developing student confidence, ensures that all students experience a sense of belonging.

Some behaviours are more likely be associated with particular types of SEND, such as a pupil with speech, language and communication needs who may not understand a verbal instruction. Behaviour will often be considered in relation to a pupil's SEND. When a pupil is identified as having SEND, the graduated approach is used to assess, plan, deliver and then review the impact of the support being provided.

When managing the behaviour expectations of students with SEND, the school considers the following:

- our duties under the Equality Act 2010 to take such steps as is reasonable to avoid any substantial disadvantage to a disabled pupil caused by the school's policies or practices;
- under the Children and Families Act 2014, we have a duty to use our 'best endeavours' to meet the needs of those with SEND;
- if a pupil has an Education, Health and Care plan, the provisions set out in that plan are secured and the we co-operate with the local authority and other bodies at all times.

As part of meeting the duties set out above, we will, as far as possible, anticipate likely triggers of misbehaviour and put in place support to prevent these. Illustrative examples of preventative measures include (but are not limited to):

- short, planned movement breaks for a pupil whose SEND means that they find it difficult to sit still for long;
- adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher;
- adjusting uniform requirements for a pupil with sensory issues or who has severe eczema;
- training for staff in understanding conditions such as autism.

Preventative measures will take into account the specific circumstances and requirements of the pupil concerned.

## **2.11 Pupil Transition**

To ensure a smooth transition to the next year, pupils have a transition session with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

### **Section 3 - Anti-Bullying Strategy**

Details of our academy's approach to preventing and addressing bullying are set out in our anti-bullying strategy below. For detailed information on child-on-child abuse, please refer to the academy's safeguarding and child protection policy.

#### **3.1 Statement of Intent**

We are committed to providing a caring, friendly, and safe environment for all of our pupils so they can learn in a relaxed, safe and secure atmosphere. As an academy we take bullying seriously. Pupils and families should be assured that they will be supported when bullying is reported. Bullying of any kind is unacceptable at our academy.

If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly, confidentially, and effectively.

#### **3.2 Signs and Symptoms of Bullying**

A pupil may indicate by signs or behaviour that they are being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- is frightened of walking to or from school
- doesn't want to go on the school / public bus
- begs to be driven to school
- changes their usual routine
- is unwilling to go to school (school phobic)
- begins truanting
- becomes withdrawn anxious, or lacking in confidence
- starts stammering
- shows signs of self-harming / attempts or threatens suicide or runs away
- cries themselves to sleep at night or has nightmares
- feels ill in the morning
- begins to under-perform in school work
- comes home with clothes torn or dirty or books damaged

- has possessions go "missing"
- asks for money or starts stealing money
- has dinner or other monies continually "lost"
- has unexplained cuts or bruises
- comes home hungry (money/lunch has been stolen)
- becomes aggressive, disruptive or unreasonable
- is bullying other children or siblings
- stops eating
- is frightened to say what's wrong
- gives improbable excuses
- starts taking own belongings to school to give to others

The above list is not exhaustive. Families who are worried or concerned about bullying issues must contact their child's Tutor or Pastoral Manager.

### 3.3 Academy Procedures

- Anyone who feels they are being bullied, including incidents of Cyber-Bullying, must report it immediately to their Form Tutor or Pastoral Manager.
  - Pupils or staff who *witness* any bullying behaviour must also report it.
  - A family member who becomes aware of bullying concerns must inform the child's Pastoral Manager.
1. Incidents will be recorded and recorded on CPOMS under the 'Bullying Log' category, including the 'type' of bullying (i.e. Cyber, HBT, Physical, Verbal, Racist, Sexist, Social Exclusion) by the Pastoral Manager in the first instance. All forms of Bullying incidents will be reported to the governing body at regular intervals by the Deputy Headteacher (Behaviour, Attitudes & Personal Development).
  2. The bullying behaviour or threats of bullying will be fully investigated. Written statements must be taken, attributed, and dated and added to the CPOMS record. The report should include the names of those involved, where and when the incident(s) took place, what happened and what was said, and what actions have been taken as a result.
  3. If necessary and appropriate, the safer school's police officer may be consulted.
  4. Families of the victim and the bully/bullies will be informed and may be asked to come into a meeting to discuss the problem.
  5. The bullying must be stopped as quickly as possible by implementing a range of outcomes (see below).
  6. Records of action must be retained in the victim's and perpetrator's CPOMS record.
  7. An attempt will be made to help the bully/bullies change their behaviour through counselling, group work and sanctions which could include reflection, internal exclusion or external exclusion for persistent and severe offenders.
  8. The Designated Safeguarding Lead and Pastoral Team Leader will review all reported incidents of bullying on a termly basis to look for patterns and evaluate the effectiveness of actions taken.

### 3.4 Outcomes

## **Section 4 –**

### **Mental Health & Wellbeing Strategy**

Details of our academy's approach to promoting pupil wellbeing and responding to mental health and wellbeing problems are set out in our strategy below.

#### **4.1 Statement of Intent**

We believe that schools have a central role to play in enabling their pupils to be resilient and to support good mental health and wellbeing. It is important that we promote good mental wellbeing for all pupils including providing a structured school environment with clear expectations, which have been set out in section 2 of this policy. This is paired with an individualised graduated response when the behavioural issues might be a result of educational, mental health, other needs or vulnerabilities. Belle Vue Girls' are committed to supporting all pupils to achieve excellent educational outcomes, and strive to help pupil overcome any barriers that may prevent such achievement.

The academy will ensure the clear response systems and processes set out in this policy used to identifying possible mental health problems are followed, including routes to escalate and clear referral and accountability systems.

The model (Promoting children and young people’s emotional health and wellbeing, 2021) below presents eight principles to promote a whole school approach to emotional health and wellbeing. Our policy and practice at Belle Vue Girls’ Academy are underpinned by the principles in this model (further information about how each area is reflected by our practice is available on our website).

#### **4.2 Mental Health & Wellbeing Guidance**

This section of the policy is based on the following government guidance: Keeping Children Safe in Education (2026); Working Together to Safeguard Children (2026); Mental Health and Behaviour in Schools (2018); Transforming Children and Young People’s Mental Health Provision Green Paper (2017); Future in Mind -

Promoting, protecting and improving our children and young people’s mental health and wellbeing (2021), Promoting children and young people’s emotional health and wellbeing (2021) and guidance from ‘Bradford, and Airedale, Wharfedale & Craven Health and Care partnerships’.

#### **4.3 Roles & Responsibilities**

The Designated Senior Lead for Mental Health is Shirley Oldale (Assistant Headteacher)

The Personal Development Curriculum Lead is Jonathan Kennedy (Senior Assistant Headteacher)

The School Nurse is: Bev Uttley

The Designated Lead for Safeguarding is Farah Nisar (Assistant Headteacher)

The SENDCo is: Kissi Wilde

The Link Governor is: Nurjahan Ali Arobi

The role of the Designated Senior Lead for Mental Health, supported by the other key roles identified above, is to:

- Have oversight of the whole school approach to mental health and wellbeing, including how it is reflected in the design of behaviour policies, curriculum and pastoral support
- Support the identification of at risk children and children exhibiting signs of mental ill health
- Have knowledge of the local mental health services and working with clear links into children and young people's mental health services to refer children and young people into NHS services where it is appropriate to do so
- Coordinate the mental health needs of young people within the academy and have oversight of the delivery of interventions where these are being delivered in the educational setting
- Oversee the outcomes of interventions on children and young people's education and wellbeing

#### **4.4 Signs and Symptoms of Mental Health Problems**

Negative experiences and distressing life events can affect mental health in a way that can bring about changes in a young person's behaviour or emotional state, displayed in a range of different ways, all of which can be an indication of an underlying problem. This can include:

- Emotional state (excessive worry, fear or sadness/ low self-esteem/ withdrawn)
- Behaviour (aggressive/ oppositional/ poor concentration/ notable changes in behaviour)
- Interpersonal behaviours (indiscriminate contact or affection seeking, overfriendliness or excessive clinginess; demonstrating excessively 'good' behaviour to prevent disapproval; failing to seek or accept appropriate comfort or affection from an appropriate person when significantly distressed; coercive controlling behaviour; or lack of ability to understand and recognise emotions).

#### **4.5 Academy Procedures**

**Prevention:** The academy promotes a safe and calm environment where mental health problems are less likely, improving the mental health and wellbeing of the whole school population, and equipping pupils to be resilient so that they can manage the normal stress of life effectively. This is achieved through the consistent application of the academy Behaviour and Welfare policy, as well as teaching pupils specifically about mental wellbeing through the personal development curriculum, which will include signposting pupils for further support.

**Identification:** The pastoral system in place at the academy ensure all pupils have a form tutor who knows them well, and who will be able to spot any concerns. Safeguarding training sessions will equip staff with the knowledge which will enable them to recognise emerging issues and make referrals for support via CPOMS. Staff listed in section 4.3 along with other key colleagues, will discuss these referrals at the weekly 'pastoral matrix' meeting and an assessment will be made which may include using tools such as the Strengths and Difficulties Questionnaire and the Boxall Profile. A plan of support will then be made. All information will be recorded on CPOMS.

**Early support:** The academy will help pupils to access evidence based early support and interventions, either through support given in the academy from the mental health team, or through referrals to external support where appropriate.

**Access to specialist support:** The Wellbeing Manager has up to date knowledge of the external support available enabling the academy will work effectively with external agencies to provide swift access or referrals to specialist support and treatment.

**Further sources of information is available on the safeguarding and student welfare section of our website [Mental Health - Belle Vue Girls' Academy](#)**

## **Section 5 Mobile Phone and Electronic Devices Strategy**

### **5.1 Statement of Intent**

As a school we have a duty to create an environment that is calm, safe and free from distraction so all pupils, whatever their background, can learn and thrive. One of the greatest challenges facing schools is the presence of mobile phones. Mobile phones can present unnecessary distraction, disruption and diversion. Mobile phones now include many additional functions such as an integrated camera, video recording capability, instant messaging, mobile office applications and mobile access to the internet. These allow immediate access to email, searching for information on the internet and other functions such as access to social networking sites e.g. Facebook, twitter, snapchat and WhatsApp. These functions can pose a risk to the maintenance of good discipline, the focus on learning and, crucially, the effective safeguarding of students in schools.

This policy has been developed to address these issues taking into consideration:

- DFE 'Mobile phones in schools' - Guidance for schools on prohibiting the use of mobile phones throughout the school day (February 2024)
- Keeping Children Safe in Education 2023
- DFE guidance on Searching, Screening and Confiscation - Advice for Headteachers, School Staff and Governing Bodies (July 2022)

By removing mobile phones from the school day, we can create a safe space where pupils are protected from the risks and dangers associated with social media and cyber-bullying, as well as the peer pressure and possible stigma associated with owning what are often expensive devices. This is why as a school we operate **never used, seen, or heard policy**.

### **5.2 Never used, seen or heard policy**

Our **never used, seen or heard policy** means pupils keep possession of their mobile phones only on the strict condition that they are never used, seen or heard unless under the direction of staff. We enforce this policy consistently and visibly, to the effect that mobile phone use is prohibited throughout the school day with clear consequences in place for breaching this policy.

Pupils may bring mobile devices on to the school site but are not permitted to use them at any time unless **specifically permitted to do so by a member of staff** for the purposes of **supporting learning or safety**. Any use of mobile devices in school by pupils must be in line with the acceptable use agreement (see appendix 1). Any breach of the acceptable use agreement by a pupil, or the use of a mobile device on school site without permission, may trigger disciplinary action in line with the school behaviour policy. This may result in the confiscation of their device for a period ranging from one day to a week, depending on the nature of the incident and number of offences.

The Headteacher, or staff they authorise, have a statutory power to search a pupil or their possessions, where they have reasonable grounds to suspect that the pupil is in possession of a prohibited item as identified in the school rules or a mobile phone which is being found to be used against the **never used, seen or heard** policy.

## **Sixth Form**

Sixth form students should only use their mobile phone in the common room area and this is for the purpose to **support their studies**. Sixth Form students may be allowed to use mobile phones or electronic devices in lessons if individual teachers confirm this. They should not place them on show or remove them from their bag until they have been directed by the member of staff. If any element of this policy is not adhered to staff are expected to confiscate the phone. All other phone rules are in line with the general policy.

### **5.3 Roles and responsibilities**

**Parents** have an important role in supporting our school's policy on prohibiting the use of mobile phones and we ask that parents reinforce and discuss the policy at home as appropriate, including the risks associated with mobile phone use and the benefits of a mobile phone-free environment. If parents need to contact their child during the school day, they should contact the school office, where messages will be relayed to their child.

All **pupils** will be made clear on the school's policy on prohibiting the use of mobile phones and regularly reminded of the policy, and the consequences and sanctions for not following it, at the start of each school year and again, where appropriate, at regular intervals. Pupils are taught through the Personal Development Curriculum the risks that are associated with the use of mobile phones, both in school and more broadly.

**Staff** will consistently apply the policy and help educate pupils around the safe use of mobile phones and electronic devices.
